## THE SUNSET CITY BY THE GOLDEN GATE

IS A MASS OF BLAZING RUINS

Among Which the Stricken but Heroic  
People Search for Their Countless  
Wounded and Numberless  
Dead

Special to the Star.

New York, April 19, 9:42 a. m.—In  
San Francisco the fire is still raging.  
The city is practically destroyed. It is  
too early in the morning there to learn  
definitely the exact situation. At the  
water front the boats and suburban  
trains are running on schedule time,  
except to Alameda. Military compa-  
nies are doing police duty, but the city  
is not under martial law.

One Hundred Thousand People Are  
Homeless

San Francisco, April 19, 10:40 a. m.—  
The entire district up as far as the  
new Fairmount Hotel, on top of Nob  
Hill, California street, between Howell  
and Mason streets, is all gone. It is  
reported that one hundred thousand  
people are homeless.

The fires are not under control, and  
the water supply has been again cut  
off.

### SOUTH LAKE WEIR

The Correspondent Pays the Ladies  
of Ocala a Neat and Merited  
Compliment

We were much surprised to see in  
last week's Star a notice of the organ-  
ization in Ocala of a "Ladies Im-  
provement Society." We had always  
supposed, and still believe, that the la-  
dies of Ocala need no improvement.  
Why not organize a much needed city  
improvement society and let the ladies  
smile on it. It would be sure to suc-  
ceed.

Mrs. B. B. Ricker, Mrs. J. E. Adams,  
Mrs. E. H. Gates, Mrs. C. S. Gates and  
Misses Inez and Irene Gates went to  
Ocala the past week and enjoyed the  
Easter services there on Sunday.

Mr. and Mrs. M. C. Goss have closed  
their house and left on Monday for  
their summer home in Pleasantville, Pa.

W. W. Carnahan and family have  
left for the summer. We hope to be  
able to welcome them all back right  
early.

Rev. Lawrence Jones preached an  
eloquent and impressive sermon on  
Easter Sunday. The sermon was pre-  
ceded by recitations and appropriate  
music by members of the Sunday  
school. The room was elaborately  
decorated as usual with palms, fur-  
nished by Mr. Chas. H. Voorhees.

Mr. John Turney of Little River is  
visiting his daughter, Mrs. W. W.  
Reed.

Hon. John D. Buckalew, who has  
spent six weeks at the Pleasant Hills  
House, left on Thursday for Ocala,  
where he will tarry a few days before  
starting for his home in Jamesburg,  
N. J.

Mrs. Jennie Turner Colbert and two  
children of Ocala are visiting the  
former's sister, Mrs. Flora Turney Math-  
ews.

Mr. B. Frank Adams took a trip to  
Dunnellon Tuesday.

### HEALTH IS YOUTH

health, fit you to ward off disease. It  
cures constipation, biliousness, dys-  
pepsia, fever, skin, hives and kidney  
complaints. It purifies the blood and  
clears the complexion.

Mrs. D. W. Smith, Whitney, Tex.,  
writes, April 3, 1902: "I have used Her-  
bina and find it the best medicine for  
constipation and liver troubles. It does  
all you claim for it. I can highly re-  
commend it." 50c. Sold by all drug-  
gists.

### BUSHNELL

Successful Easter Entertainment by  
Leaders in the Methodist Sunday  
School

From Bushnell daily go vegetables  
to distant markets—cucumbers, squash  
and beans—for which satisfactory  
prices are received. Cabbage, lettuce,  
beets, etc. have had their day. With-  
in a few days tomatoes will be in. Ev-  
erybody is busy and bright. At once  
for this season's accommodation, a to-  
mato packing house is to go up—en-  
terprise of Hon. Claiborne Bevil and  
Dr. Frank Lettette.

Easter was marked by a beautiful  
and unique entertainment, inaugurated  
by leaders in the Methodist Sunday  
school, and carried to successful com-  
pletion by Mrs. J. A. Eaddy and Mrs.  
W. E. Noble, who trained the pupils  
for their various roles. Mr. Nassoy of  
Coleman, the clever French artist,  
made a feast for the eyes of the audi-  
ence with his creation in form coloring  
and grace in the decorations.

In the near future the ladies of the  
village will do themselves proud by  
furnishing for the pleasure and profit  
of the citizens and friends an enter-  
tainment, consisting of usual features,  
music, scenic presentations, recita-  
tions, etc. Date not fixed. Funds re-  
alized to be used for increasing our  
public school facilities. Villager.

### A YOUNG MOTHER AT 70

restored the strength and activity she  
had in the prime of life," writes Mrs.  
W. L. Gilpatrick of Danforth, Me.

## SAN FRANCISCO NOT ALONE IN SORROW

CATAclysm SHOOK THE COAST

Los Angeles, Sacramento and Many  
Other Cities Have Been Devas-  
tated by the Seismic Shocks

Special to the Star.

San Francisco, April 19, 8:40 a. m.—  
All but one of the Leland Stanford, Jr.,  
University buildings at Palo Alto are  
in ruins, together with the Memorial  
church. One student is known to have  
been killed.

While San Jose, Sacramento, Berke-  
ley, Alameda and other points heard  
from suffered severely, no loss of life  
is reported.

The motion of the vibration was  
from east to west. Troops are guard-  
ing monetary establishments as far as  
possible.

Later reports from Los Angeles  
show earlier information as to loss of  
life and property in that city to have  
been greatly underestimated. Ten  
thousand homeless are reported at  
Santa Rosa.

FRAZIER-MITCHELL

A Pretty Home Wedding at Summer-  
field

Quite a pretty, but quiet, wedding  
took place Sunday night at Summer-  
field at the home of the bride's pa-  
rents, when Miss Eppie, youngest  
daughter of Mr. and Mrs. A. D. Mitch-  
ell, became the wife of Mr. Joseph  
Frazier. The ceremony was performed  
by Rev. Duncan of Micanopy, in the  
presence of the family of the bride and  
a few intimate friends.

Promptly at half past seven the  
bride and groom, unattended, entered  
the parlor, where they were met by  
Rev. Duncan, who united them in mar-  
riage.

The floral decorations were lovely,  
the color scheme being green and  
white.

The young bride, who is a beautiful  
blonde, was gown in white silk and  
carried white carnations.

After the ceremony, Mr. and Mrs.  
Frazier, standing before the fern-  
banked mantel, received the congrat-  
ulations of their friends.  
Refreshments were then served by  
Mrs. Joe Davis and Miss Mitchell, sis-  
ters of the bride. Both were becom-  
ingly gown in white. Mrs. Davis look-  
ing unusually lovely in champagne mouse-  
line de soir, and Miss Mitchell was  
pretty in her gown of Alice blue crepe  
de chene. They were assisted by Miss  
Oyer of Citra, who wore a becoming  
gown of white.

The bride, who is familiarly known  
to her school mates and friends as  
"Eppie," has grown from childhood to  
lovely young womanhood in Summer-  
field. Possessing a firm, sweet, lovable  
character, she has many friends, who  
wish her a long and happy life with  
the man of her choice.

The groom is a young man of many  
 sterling qualities of character, and is  
in business with Mr. Nathan Mayo of  
Summerfield. He has made many  
friends during his stay here. The  
young couple will go immediately to  
housekeeping in the McKay cottage.  
May their journey through life be a  
bright and happy one is the wish of  
all. A Friend.

Summerfield, Fla., April 16, 1906.

TOMPKINS-SMITH

Miss Annie Smith, one of Alachua  
county's most popular and fascinating  
young ladies, was married Sunday af-  
ternoon, April 8, 1906, at the home of  
her parents, Mr. and Mrs. James  
Smith, at Trenton, Fla., to Mr. Fred  
D. Tompkins, youngest son of Mr. J. A.  
Tompkins, formerly of Citra, Fla.

The parlor was beautifully decorat-  
ed and was filled with relatives and  
friends to witness the happy occasion.  
The ceremony of the Christian  
church was performed in an impres-  
sive manner by Rev. Coulson.

The bride was prettily dressed in  
pure white, with a wreath of white  
roses, while the groom wore the con-  
ventional black. They were a strik-  
ingly handsome couple and were the  
subject of many complimentary re-  
marks.

The bride has a bright, sunny dis-  
position and numbers her friends by  
her acquaintances.

The groom is a young man of ster-  
ling qualities, is strictly temperate  
and industrious, and possesses rare  
business ability. He has been a fore-  
man for the Tyler Lumber Company at  
Tyler, Fla., since his return from the  
United States service, nearly a  
year and a half ago.

Both have genial, happy disposi-  
tions, which make for them friends  
wherever they go.

The beautiful presents received  
showed the high esteem in which they  
are held by the many who wish them  
Godspeed on the voyage of life. The  
happy couple left immediately for a  
short visit to friends in Citrus, Ma-  
rion and Alachua counties.

A Friend.

Tyler, Fla., April 16, 1906.

A Thousand Dollars' Worth of Good

"I have been afflicted with kidney  
and bladder trouble for years, passing  
gravel or stones with excruciating  
pain," says A. H. Thurnes, a well  
known coal operator of Buffalo, O. "I  
got no relief from medicine until I be-  
gan taking Foley's Kidney Cure, then  
the result was surprising. A few doses  
started the brick-dust-like substance  
and now I have no pain across my kid-  
neys and I feel like a new man. It has  
done me \$1000 worth of good." Foley's
